BENEFITS OF OUR EDUCATION SUPPORT

Our education support and candidate care means you develop and upskill whilst working for us with 1 to 1 CPD and training.

Candidates' time working for T4S is meaningful and supportive of their career aspirations.

Candidates have the opportunity to develop in several areas and boost their CVs.

Our education support is in line with current educational standards and frameworks.

Working for T4S will increase candidates opportunities to gain permanent places in schools.

CONTINUING PROFESSIONAL DEVELOPMENT

Whilst working with T4S we offer both internal and external professional development opportunities for all our candidates, whether they're new to working within schools or experienced teachers.

Examples of internal CPD are; behaviour management, classroom strategies for teaching assistants and cover supervisors, understanding SEN/ALN, lesson planning, differentiation and much more. Within our internal CPD we also provide ongoing coaching and interview support for candidates going for long term and permanent positions in schools.

Examples of external CPD and training courses our candidates can access whilst working with T4S are; safeguarding, SEND certification, teaching assistant certification, teaching phonics, managing classroom behaviour, English and Mathematic specific courses and much more.
